ATTENTION: LOUIS GERKE

**Dear Louis** 

I write this letter to convey our sincere appreciation for the effort you put into delivering our recent workshops and courses.

The "Values add value ...." workshop which you presented to our despatch supervisors was such a great success. The team continues to be motivated to live by the values to which Much Asphalt subscribes.

The "Together we can...." workshop touched every single employee in the company and is still the most inspiring team slogan used throughout Much Asphalt today!

The "Management Development Programme" convened for our Western Cape operations staff was met with great enthusiasm by the team, who all learnt valuable lessons.

Thank you so much for exposing us to your endless energy. We are grateful for your appreciation and understanding of the various levels of our employees, and confirm that we received a great return on our investment in Ripple Adventures.

Yours sincerely

JM Onraet

Director: Marketing Much Asphalt (Pty) Ltd
